

The Three Kings Cullen Association

The centre is run by a charity called The Three Kings Cullen Association, which is directed by local volunteers.

In 2017, the local authority announced that it was going to close the Cullen CRC by June 2018 with a view to demolishing the building in 2019 unless the people of Cullen would take on the building as a CAT (Community Asset Transfer). The centre would be transferred to Cullen Community for £1. A community meeting, attended by around 100 people, was held in the Cullen Town Hall. It was clear that the will of the people of Cullen was to keep the centre open.

Following this initial meeting, a series of meetings were held until a core group of members was formed. The path towards a CAT required the members to form a charity with suitable constitution and charitable aims, to take on a 2 year lease from the council. The Three Kings Cullen Association was formed in May 2018 and eventually signed the lease, after a lot of ground work and negotiations with council, on September 1st 2018. The Community Asset Transfer is a lengthy process and will take place over the next 18 months.

Our challenge now is to make the centre sustainable for the years to come, by promoting the residential centre and working with the people of Cullen to provide a range of activities for our diverse community.

The possibilities are limitless. The Centre has fantastic facilities set in a stunning location with lots to offer old and young alike. Take a wander through our website to find out more about what Cullen and our Community Centre have to offer you.
